

**DECLARATION AND POWER OF ATTORNEY**

As a below named inventor, I hereby declare:

THAT my residence, post office address and citizenship are as stated below next to my name;

THAT I verily believe I am the original, first and sole (if only one name is listed below) or a joint (if plural names are listed below) inventor of the invention entitled: VEHICLE EQUIPMENT CONTROL WITH SEMICONDUCTOR LIGHT SENSORS of which the specification:

☐ is attached hereto;

☒ was filed on January 25, 2000 and assigned Application Serial No. 09/491,192;

☐ is amended in the attached Amendment;

THAT I do not know and do not believe that this invention was ever known or used in the United States of America before my or our invention or discovery thereof, or patented or described in any printed publication in any country before my or our invention or discovery thereof, or more than one year prior to the date of this application;

THAT the invention was not in public use or on sale in the United States of America for more than one year prior to the date of this application;

THAT this invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months before the date of this application;

THAT I have reviewed and understand to the best of my ability the contents of the above-identified specification, including the claim(s), as amended by any amendment referred to above;

THAT I acknowledge the duty to disclose information of which I am aware which is material to the examination of this application in accordance with 37 Code of Federal Regulations Sec. 1.56;

THAT I hereby claim the benefit under Title 35, United States Code, Sec. 119 of any provisional United States Application(s) listed below and under Title 35, United States Code, Sec. 120 of any non-provisional United States Applications(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, Sec. 112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulation, S 1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application.

This application is a continuation-in-part of U.S. Serial No. 09/307,941, filed on May 7, 1999, now pending, which is a continuation-in-part of U.S. Serial No. 09/236,969, filed on January 25, 1999, now pending.

This application is also a continuation-in-part of U.S. Serial No. 09/307,191, filed on May 7, 1999, now pending, and a continuation-in-part of U.S. Serial No. 09/290,966, filed on April 13, 1999, now pending, both of which are a continuation-in-part of U.S. Serial No. 09/237,107, filed on January 25, 1999, now pending.

And I hereby appoint the following attorneys to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith: Brian J. Rees, Registration No. 36,648 and the practitioners associated with the Customer Number 000277 (i.e., the practitioners associated with the law firm of Price, Heneveld, Cooper, DeWitt & Litton). Please direct all correspondence to the address associated with that Customer Number (000277).

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
